MR. VANVOORHIS WITHDRAWS RESIGNATION AS COUNCILMAN

Disposes of Situation which
Promised a Contest for
Vacated Seat

DISPOSE OF ROUTINE BUSINESS

Business of a routine character was disposed of by council at its regular monthly meeting, which was held last evening, having been adjourned from Tuesday on account of election day.

The most important feature of the session was the withdrawal of the resignation of Mr. VanVoorhis, which was tendered a couple of months ago. At that time Mr. VanVoorhis believed he could not give the necessary time to the duties of the office and asked to be relieved of the responsibilities. It was expected that council at its meeting last night would accept the resignation and proceed to fill the vacancy.

Two avowed candidates were in the field for the unexpired term and it was anticipated that one of them would have been elected, but Mr. VanVoorhis forestalled any contest by requesting the privilege of withdrawing the resignation, which was granted. He has determined to serve his term out and was present at the meeting last evening.

All members were present when Pres. Repman called to order, and after reading of minutes Hugh E. Ferguson, who was present with his client, Mr. Columbine, asked for the opening of an alley between Oakland and Woodland avenues. This is an old matter which has been before council periodically for a long time, and a promise was given to investigate it.

Surface water at Second and Oakland avenue was the cause of a complaint by Mrs. Mary Morrow, which will also be investigated.

Mr. VanVoorhis called attention to the condition of streets at Fifth and Meadow, caused by coal trucks. The streets are in bad shape at that point and will require a great deal of repair.

It was also decided by council to place signs near school houses as required by law, as a notice to auto and truck drivers. Fast driving in these zones has been the cause of some complaint.

A protest was made by residents of the Frew building over charges made by the garbage collector. Council finally decided that a weekly charge of \$1.50 would be very reasonable for the twelve families occupying the building.

Mr. Fleming of the Fire department was present and asked if council would take some action with reference to the purchase of a new fire truck. Members said such action would depend upon financial condition of the borough, and nothing definite was promised.

An ordinance providing for the grading of sidewalk on west side of Shady between Fourth and Fifth St. was presented, passed first reading and ordered printed and posted. Reports were submitted by borough

ONE LONE DEMOCRAT IN KEYSTONE DELEGATION

It looks as if there will be but one Democrat in the next Congressional delegation from Pennsylvania who represents the South Side District in Pittsburgh. Mr. Campbell was endorsed by both parties at the primary election last spring, which made his election a foregone conclusion. From present returns it looks as if the Republicans carried all the other districts in the State, as well as the four Congressmen-at-Large.

WAHOOS WINNERS OVER THE PACKERS

Capt. Russell's "Wahoos" were winners in two games out of three over Capt. Mitchell's "Packers" at the Elks' bowling alleys last evening. The Packers won the first game by seven pins, after which the Wahoos put on their war paint and proceeded to throw had grenades with a vengeance, winning the second game by 65 pins. Giving vent to a war cry they "dug in" for the final game, which they won by 28 pins, which they considered a splendid finish for a good night's work. E. Wilson, Warrensford and Williamson rolled good games for the stockyard crew, while Capt. Russell and Jordan did the heavy work for the Wahoos. Capt. Russell had high score for the evening, rolling 144 in the last game, but was closely pressed by Williamson for the Packers in the last game with a score of 140. Monday night Capt. Russell's Wahoos play Capt. Lowstutter's Cubs, game starting at 8:30. Score:

PASSENGER TRAINS LATE THIS MORNING

South bound passenger trains on the Monongahela Division of the Pennsylvania railroad were all late this morning, because of a wreck north of Elrama. Commuters between Monongahela and Roscoe were compelled to use the street cars in getting to work.

INDIA SUBJECT OF MISSIONARY TALK

The members of Mrs. Ira L. Nickerson's Sunday school class, together with their mothers and a few friends, were entertained at the Nickerson home last evening. This class is supporting and educating an India orphan in a Christian school.

During the evening Miss Eschelman a missionary from India, who recently returned to the United States for her vacation and recuperation, after spending seven years in that country, told of her work there caring for the orphans during the recent famine. She said words could not describe the destitute and suffering conditions of the many thousands during the famine period and her description was an appeal or help from those who have plenty and could spare. She said the Hindus have millions of gods whom they worship, heavenly bodies, birds, insects, trees, animals, idols of every description; that India suffers more from famine and pestilence than any other nation, and yet awful as these judgments have been, heart-sickening as it is for the missionaries to dwell in a land thus afflicted, yet these judgments of God will be the salvation of that country.

Hindus build and maintain hospitals for their oxen, donkeys, etc., but they make no provision for the widows and helpless old. The lower caste will not kill an insect or reptile, even when they come into their mud houses, believing the spirit of the departed dwells in them.

She described their schools and places of worship, and said those who had been saved were now preaching the gospel to the natives, and doing a great work for the Master. Speaking of the depravity and oppression of the women there she said the condition of its women is the truest test of any country's civilization, as no nation can rise above its motherhood. Her talk was instructive and appreciated by those present. At the conclusion of the meeting light refreshments were served and a social hour was spent in examining the curiosities the speaker brought from India.

FINE CONCERT IS SCHEDULED FOR DONORA

Paul Shirley, Viola d'Amore soloist, will give a recital in the Grand theatre, Donora, Tuesday evening, November 9th. He will appear under the auspices of the Donora Woman's Club. The recital is not for the purpose of making money but brings to Donora the best musical entertainment since Creator's band appeared at Chautauqua.

Paul Shirley is a member of the Boston Symphony Orchestra. He has been playing to Pittsburgh audiences paying from \$2.00 to \$5.00 for seats. The tickets in Donora are being sold at \$1.00. They are on sale at the Union Pharmacy and at the Grand Theatre Box Office. There will be no reserved seats.

An alarm of fire at 12:55 p. m. called the fire department to the rear of the Woodward Furniture company building. A pile of boards on the roof had taken fire and for a time were blazing quite rapidly. A prompt response on the part of the department and the use of chemicals soon removed all danger.

FRIENDS OF IRISH FREEDOM ORGANIZE

A largely attended meeting of the Friends of Irish Freedom was held last evening in the basement of St. Jerome's Catholic Church. It was decided to open a branch of this society in Charleroi and the name chosen was the "Terrance MacSwiney Branch." As the Friends of Irish Freedom welcome all those in sympathy with the suffering Irish, a large attendance is hoped for. The Branch to meet on the fourth Tuesday of each month. The officers elected last night were: C. P. Byrne, Charleroi, President; Rev. Father McCarty, Roscoe, Vice President; Mrs. Mary McGee, Charleroi, Treasurer; Miss Catherine Fox, Fayette City, Financial Secretary; Miss Winifred Guffey, Charleroi, Recording Secretary.

THOMAS R. NICHOLS. (An Appreciation.)

No sadder death ever occurred in or around the little village of Speers than that of Tom Nichols, as he was familiarly known. He was 44 years of age, living with his mother, Mrs. Margaret Nichols, a strong, robust man of the best of habits, with a reputation and character above reproach; a friend to everybody, more especially the little boys and girls, of whom he was very fond, with always a pleasant word for them.

Going to the country mine at Twilight, where he was employed by the Fox Brothers, on Tuesday morning, with every prospect of a long life before him, he met a fatal injury at 11 o'clock from a fall of slate. He was rushed to his home and medical aid and tender care of mother, sister and friends did all possible for him, but in a few minutes he passed to the great beyond.

He was considered one of the very best miners in the valley, a hard, steady worker, a man of wide acquaintance, with many friends, as was seen by the unusually large funeral, the long line of automobiles as his body was borne to its final resting place in the Belle Vernon cemetery, where it was laid under heaping banks of flowers that came from friends.

Services were conducted at his late home in Speers at 2:30 o'clock Thursday, by the Rev. Wm. Hogg, a former pastor of the Speers M. E. church, and a personal friend of the deceased. The singing was in charge of the Ladies quartet of the Belle Vernon M. E. church.

Tom has gone, his voice is still, but his memory will ever be cherished not only by his family and neighbors and the boys and girls of the community, but by a host of friends up and down the valley.

He leaves to mourn his loss his widowed mother, two sisters, Mrs. Margaret Dankerly at Speers and Miss Mary at home; and three brothers, William of Wheeling and George and John in the west.

I will be at Borough Building for the next ten days to make transfer of all property sold in 1920.

PROTECTED HOME CIRCLE TO HOLD "BINGVILLE"

The regular meeting of Charleroi Circle No. 303, Protected Home Circle was held in the lodge rooms last evening. A large number of members were present and it was decided to have a Bingville Masquerade Social in the near future. Four candidates were balloted on and three were initiated. After the regular business session a very enjoyable social hour was spent. Tuesday, November 9th a number of Charleroi Members will journey to Connellsville where the Inner Circle Degree will take place.

K. OF C. FORM A BOWLING LEAGUE

Last evening the Knights of Columbus bowling league composed of teams representing the K. of C. Councils of McKeesport, Monessen, Donora and Charleroi got under way at the Lyceum alleys, Donora playing Charleroi while Monessen visited McKeesport.

Charleroi got away with a poor start, losing the first game by 21 pins. The second game found Charleroi in better form, squaring the contest by 28 pins. Quite a crowd of rooters were at the match, cheering for their favorite teams. Moore bowling for Charleroi, featured the game, while Burkhardt's offerings were the best for Donora. The visitors were somewhat handicapped, as they played on strange alleys. A silver loving cup will be given the winning team. Score

Will Ask President Lewis to Order an Election, Under Supervision

CLAIM BOOKS WERE "DOCTORED"

With only a few scattering votes—and these few approving the aims, but disagreeing merely on the methods followed—about 200 delegates, said to represent 81 local unions, or a district membership, on Friday at the Fort Pitt Hotel, Pittsburgh voted to impeach the officers of District No. 5, United Mine Workers of America, and to withdraw their support, financial and otherwise, from the district organization as now constituted.

Pending an "honest election," as it was announced, the "committee of action" of the insurgent local union will constitute a district organization, in which local unions will be invited to pay dues and bring their grievances.

President John L. Lewis, of the United Mine Workers of America, will be asked to order such an election, supervised by the international officials, and, meanwhile, it was indicated yesterday, the insurgent miners will not participate in the regularly called District No. 5 election, scheduled for December 14.

Among other things yesterday's convention upheld, through a report of an investigating committee, the claim of Michael Halapy, of Finleyville, chairman of the insurgent convention, that books of his own local union, No. 2424 of Finleyville, were "doctored" so as to show him in arrears in dues paying, and therefore ineligible as a candidate for district president against District President Robert R. Gibbons at the regular election December 14.

Charges that the books were "stolen" from the headquarters of the local union at Finleyville were made, and demands were voiced in the convention for prosecution for larceny.

District officials have ignored the insurgent convention, as unconstitutional and have refused to appear before it. A series of resolutions was adopted, calling for the impeachment of the officers of District 5, and a committee named to carry them into effect. On this committee W. A. Guiler and Thomas Metcalf of Charleroi, were given places. This committee will meet at an early date to carry into effect the work for which it was appointed.

Notice To Tax Payers

OPPOSED TO ACTIONS OF FOOT BALL PATRONS

While making no comment of Sunday football, the Elizabeth Herald is strongly opposed to those who attend, including the players, who make so much noise while coming and going through that town. In its last issue it says: "That gang of roughnecks who motor through Elizabeth every Sunday on their way to Monongahela to play football, should be arrested by our authorities and made to pay a stiff fine for disorderly conduct. Their return in the evening about church time is heralded by the blowing of horns, hoots, yells, etc., that disturb the peace of the community."

NO SERVICES TOMORROW AT THE METHODIST CHURCH

Owing to the incomplete state of repairs now being made at the Methodist Episcopal church there will be no services tomorrow, Sunday, November 7th.

Civilian Chaplain H. M. Leech, official representative of the National Lutheran Commission for soldiers and sailors, and a former pastor of Christ Lutheran church of Charleroi, is visiting with friends in town and will preach to his former congregation on Sunday.

Armor for the Gopher. "Golfers who fear snakes," says a traveler, "might try the 'tin armor' tactics resorted to by wanderers in the tropical swamp lands. It is the custom of some explorers to fasten a bright tin disk over their ankles. This gleaming spot attracts the reptiles, which invariably strike at it and nowhere else. The stroke is thus rendered harmless and leaves the snake in a position to receive a knockout blow at the intended victim's discretion.—London Chronicle.

Dentist's Memorial. It is a far cry from the powdered wig, the incantations and pain, the gold rings and ox teeth of the forgotten past to the work of a modern dental surgeon, but like his predecessors in the profession, the modern operator leaves behind him his monument. It may be a cross of gold which he erects to his memory as a product of his mechanical skill, or maybe he has taught the children of the world the secrets of health or the esthetic value of a pleasing smile.—Exchange.

Children and Books. It does the child no harm to make the acquaintance of books which were not written for children. In a home where the great books that have inspired or amused successive generations are accessible an active-minded child is likely at some time to get at them. If we want our children to fall in love with the better kind of books let us provide them with opportunities for meeting such books without too much formality.

Mrs. Hill Says Lydia E. Pinkham's Vegetable Compound Removed The Cause.

Knoxville, Tenn.—"My back hurt me all the time, I was all run down, could not eat and my head hurt and all caused by female troubles. I was then treated with these tablets and doctors but no good. My sister advised me to take it. I took Lydia E. Pinkham's Vegetable Compound and the Liver Pills and used Lydia E. Pinkham's Sanative Wash and now I am well, can eat and work. I give you my thanks for your great medicines. You may publish my letter and I will tell everyone what your medicine did for me." Mrs. H. H. Hill, 415 Jackson St., Knoxville, Tenn.

Thousands of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.
